

Lower Gunnison River Special Stipulations for Commercial River Operations 2009

These stipulations are in addition to the Colorado Standard SRP Terms and the Uncompahgre Field Office SRP Terms, Conditions, and Stipulations for All Permitted Activities that are attached annually to your permits.

These stipulations are being jointly implemented by the Uncompahgre and Grand Junction Field Offices to ensure consistency in permit administration, monitoring and compliance.

It is your responsibility as permittees to ensure that all personnel associated with your Lower Gunnison River trips know and comply with these regulations.

Grand Junction & Uncompahgre Field Offices

Lower Gunnison River Stipulations for all commercial river permits: Effective for 2009 Season

1. River trips will not exceed 25 people including guides.
2. A washable, reusable toilet system or an EPA-approved bag system will be carried on all river trips to pack out human waste
3. A fire pan will be carried for campfires on all river trips.
4. All dishwater will be strained. Strained water will be emptied into the main channel of the river.
5. A ground cloth to catch micro-trash will be used in kitchens.
